

Millwood Decision
Meeting June 19
for Observers Only

Congressman's Telegram
We received the following telegram at noon today:

"As you know, the Board for Rivers & Harbors has announced its meeting on June 19 to consider in open session the Millwood project.

To clear up any misunderstanding, the meeting is called for the board to consider the report from the district and division engineers and the public hearings which were held on April 25.

"This meeting is not a hearing. No one will be heard at the meeting as witnesses. The board invites any one who desires to sit in as an observer. It is the policy of the board to hold its executive sessions open to the public.

"The purpose of the meeting is to try to reach a decision on what the board's recommendation will be.

"I hope you will clarify this for public information.

"OREN HARRIS, M. C."
June 15, 1956
Washington, D. C.

Delegation to Attend
Although no testimony is scheduled a sizable delegation will represent the Southwest Arkansas Water District in an observer capacity at the decision meeting of the Corps of Engineers' Board for Rivers & Harbors in Washington next Tuesday, June 19.

The delegation will include: George W. Peck, C. V. Nunn, Jr., and possibly James H. Pilkinton, if his schedule as chancery judge will permit, all of Hope.

Jim Shaver of Ashdown, Charles M. Conway, president of the water district, and L. E. Gilliland, secretary-manager of the Texarkana Chamber of Commerce, both of Texarkana.

L. R. Mathias, executive vice-president of the Red Valley Association, Shreveport.

Gas Firm Not to Protest Assessment

LITTLE ROCK, (Special)—Mississippi River Fuel Corp., one of the largest gas pipelines traversing Arkansas, will not protest a Public Service Commission Tax Division assessed valuation of \$8,870,800 for 1956-basis of property taxes payable next year.

This assurance was given by attorneys for the company who conferred this week with Tax Division officials. The lawyers insisted the assessment was excessive, but Tax Division Director Earl Berry expressed the belief it was, if anything, lower than would be justified if a more realistic assignment of revenues to Arkansas were made.

He warned that next year he will require additional data with regard to apportionment of income, which is one of the factors used in setting up a valuation at 20 percent of estimated market value. Last year's valuation, on which taxes are being paid this year, was \$693,170.

Mississippi River Fuel's annual report to the Tax Division showed that 46 percent of its properties are in Arkansas, but it allotted only 11.34 percent of revenues to Arkansas. Its gross revenue was \$47,371,887 and its net \$8,752,556.

The company's common stock, \$10 par, was given a \$32 market value in the assessment computation.

In the sale by Cities Service of 51 percent of Arkansas Louisiana Gas Co.'s common stock to W.R. Stephens Investment Co. of Little Rock late in 1954, Mississippi River Fuel advanced part of the purchase price to Stephens and endorsed Stephens' note with a New York bank for approximately \$20,000,000.

"At the time, an ultimate transfer of control of producing and gathering properties of Ark-La to Mississippi River Fuel was contemplated. That plan was abandoned, however, and Stephens sold part of the Ark-La stock to Union Securities Corp., New York. In this transaction Mississippi River Fuel received \$1,000,000 from Union Securities, and it is slated to get another million from the first profits Stephens and Union derive from sale of Ark-La stock.

Mississippi River Fuel is still guarantor of the notes covering the bulk of the sale price of the Ark-La stock, and it exercises a veto power over fiscal policy decisions of the Ark-La majority stockholder.

Seventeen counties in the eastern half of the state share in the assessment. Those benefited most are: Jackson, \$1,286,780; Jefferson, \$1,017,010; White, \$1,136,830; Randolph, \$1,011,350. Several Arkansas utility companies and municipal systems buy gas from Mississippi River Fuel.

Extended Forecast
For the period June 15-20:
ARKANSAS — Temperatures 3 to 6 degrees above normal. Normal minima 65 to 75. Normal maxima 86 to 92. Slow warming beginning period then continued light to moderate in widely scattered mostly afternoon showers and thundershowers.

Subway Strike Ends; Steel Men Reject Offer

NEW YORK (UFA) shaky peace kept New York's huge subway system operating today but murmurs of dissatisfaction continued among disgruntled motormen who staged a paralyzing walkout yesterday.

There were rumors that further work stoppages might take place any moment.

Theodore Loos, president of the Motormen's Benevolent Assn., whose members staged the surprise strike, said MBA members had been directed to stay on the job.

He asserted, however, that union grievances still haven't been crased.

Subway trains were rolling again this morning in time to bring back to work the hundreds of thousands of Manhattan toilers who spent sweltering, hectic hours getting home by makeshift means last night during the strike.

The vast subway system was all but paralyzed during the nine-hour walkout, unprecedented in the history of city transit.

With the return to work, the city's transit authority announced that 27 motormen, including 25 officials of their union, the Motormen's Benevolent Assn., had been suspended for their part in the affair.

Among them was Theodore Loos.

BY HUGH MULLIGAN
NEW YORK (AP) — New Yorkers happily went back underground today after weather their first city-wide subway strike — a crippling, confusing blow that left hundreds of thousands stranded.

The strike hit the world's largest passenger-carrying railroad with startling suddenness yesterday, after a complete stoppage of 90 minutes.

It began as a wildcat strike of three motormen on the BMT line gradually spread to all three subway lines, and built to a crescendo of confusion during the evening rush hour period.

When the end of the walkout came, it took several hours to restore the system to full operation. City officials threatened punitive action against the strikers, members of a new union, but steered away from enforcing the Condon-Wadlin Act, an antistrike law requiring automatic dismissal of striking public employees.

On a normal day, about 4 1/2 million people ride over the city's 228 miles of subway and elevated track, some 800,000 of them during the morning and evening rush hour periods.

Although the crush of humanity caught underground, waiting for trains that never came, sometimes threatened to dislodge passengers onto the tracks, the strike ended without death, injury or panic.

Many night workers, including hospital employees, were unable to get to their jobs.

NEW YORK (UFA) — The United Steelworkers today rejected "entirely inadequate" wage and contract proposals made by the Big Three steel firms.

David J. McDonald, union president, told newsmen:

"No mathematical juggling can obscure that the steelworkers are being offered an increase in take-home pay this year of five cents an hour."

Few Things Warm a Father's Heart More Than to Know His Son Will Prove Successful

By HL BOYLE
NEW YORK (UFA) — Few things warm a man's heart more than to know his son following successfully in his footsteps.

And every day is Father's Day to him if he knows the son is showing more promise than he himself did at the same age.

What deeper flow of satisfaction can a father have than to turn over the running of his business to his son, or at least to know that he has a son who will in time be able to shoulder that responsibility.

This desire that a son take up the same calling is probably as old as mankind. Even if a man has met with only mediocre success — or even failure — in his own line of work, he often nourishes a secret hope his son will take up the same path and go on and ex-

Argentina Returns Haiti Rebels

BY BRUCE HENDERSON

BUENOS AIRES (AP) — Argentina's provisional government gave dramatic support to the traditions of political asylum and diplomatic immunity last night. It returned much-sought rebel Gen. Raul Tanco and six other fugitives to the Haitian embassy 4 1/2 hours after machinegunners abducted them and delivered them to the army.

President Pedro Armbruster ordered the return of the rebels as soon as he received an angry protest from Haitian Ambassador Jean Bierre. Although Tanco had been the object of a nationwide hunt as a top leader of Sunday's "Frontera" inspired revolt, Armbruster said he was guilty only of political crimes and therefore entitled to the asylum he had reached.

It began as a wildcat strike of three motormen on the BMT line gradually spread to all three subway lines, and built to a crescendo of confusion during the evening rush hour period.

When the end of the walkout came, it took several hours to restore the system to full operation. City officials threatened punitive action against the strikers, members of a new union, but steered away from enforcing the Condon-Wadlin Act, an antistrike law requiring automatic dismissal of striking public employees.

Air Force Is Silent on Target Miss

By ELTON C. FAY

WASHINGTON (UFA) — The Air Force had only a noncommittal reply today to a question about whether the B52 which dropped an H-bomb over Bikini last month missed the target.

The Atomic Energy Commission had nothing to say.

Reports that the big bomb was wide of the intended point of burst in midair have become current in recent days. They apparently come directly or indirectly from persons who saw the target point after radioactivity had diminished in the area.

Some speculation places the margin of error in excess of 3,500 yards from the place above Namu Island where the explosion was intended. That's about two miles.

In response to a question, an Air Force spokesman said:

"The recent thermonuclear air drop at Bikini was conducted as scheduled.

"The Air Force considers that the ability of the B52 bomber to deliver a thermonuclear bomb was demonstrated successfully.

CAP Program Sends Out 3 Arkansans

Three Civil Air Patrol Cadets from Arkansas Wing have been selected to participate in this year's International Cadet Exchange Program.

These Cadets will receive a tour of a designated foreign country of approximately six weeks duration, at the guest of the foreign government and foreign aviation societies.

Youths from the countries visited will in turn visit the United States as guests of CAP. The exchange Cadets, the squadrons which they represent, and the countries that they will visit are:

Anthony A. Gates, Crossett, Norway; Raymond S. Braselton, Russellville, Belgium; and Margaret A. Isenman, Little Rock, Hawaii.

These Cadets were selected by National Headquarters from among all of the applicants in Arkansas Wing, each squadron being permitted to make one nomination.

It said his condition is "very satisfactory." The liquid feeding by mouth is continuing, the bulletin said, and the President sat in his easy chair for about half an hour.

In addition, it said, he took his regular walking exercises and transacted some official business.

White House Press Secretary James C. Hagerty told newsmen Mr. Eisenhower heard some music for the first time. The President, he said, asked that operas, waltzes and band music be played by a local station which installed a line directly to his room in Ward 8 of Walter Reed Army Medical Center.

Most of the State Gets a Drenching

By The Associated Press
General rains over Arkansas were easing today after drenching some points with more than three inches.

The U.S. Weather Bureau said the heaviest downpour was in southwest Arkansas.

But the community of Leola, in south central Arkansas, reported 2.63 inches, the state's heaviest rain for the 24-hour period which ended at 7 a. m. today.

Other measurements included Pine Bluff with 3.40 inch, Hope with 2.01 inches, Boughton with 1.66 and Walnut Ridge in the northeast section with 1.34 inches.

The weather bureau said a Gulf Coast storm that passed into Arkansas yesterday will be gone by tonight. It was responsible for much of the showers.

Most state rivers are at low stages and no flood possibility was foreseen by the bureau.

Ike Remains Cheerful and Improved

By DONALD J. GONZALES
WASHINGTON, (UP) — A cheerful President Eisenhower listened to some of his favorite music and read two news magazines today following the "most optimistic" report yet on his recovery from his operation.

Mr. Eisenhower, in another indication of his continuing improvement, also scheduled his first meeting with Vice President Richard M. Nixon for Monday. He also will see Secretary of State John Foster Dulles then.

At 12:45 p. m. EDT medical bulletin reported for the first time that the activity of the President's intestinal tract "has been restored." The intestines have been inactive since Mr. Eisenhower underwent major surgery last Saturday for an intestinal obstruction.

It said his condition is "very satisfactory." The liquid feeding by mouth is continuing, the bulletin said, and the President sat in his easy chair for about half an hour.

In addition, it said, he took his regular walking exercises and transacted some official business.

White House Press Secretary James C. Hagerty told newsmen Mr. Eisenhower heard some music for the first time. The President, he said, asked that operas, waltzes and band music be played by a local station which installed a line directly to his room in Ward 8 of Walter Reed Army Medical Center.

22 Cotton Belt Cars Jump Line

WEINER, (AP) — Twenty-two boxcars of a Cotton Belt freight train jumped the track here early last night.

No one was injured.

Cotton Belt officials said a burned out journal box may have been responsible. They made no estimate of damage.

The track was being cleared today.

Doubled State Hospital Budget Given to ALC

LITTLE ROCK (AP) — A proposed budget calling for nearly twice as much money for operation of the State Hospital was presented today to the Arkansas Legislative Council by the hospital's Board of Control.

Board Chairman Olen Hendrix of Antone, in submitting the budget, said that more revenue is the only cure for Arkansas' "19th century" mental hospital. He added that the only way to get the additional money is through increased taxes.

Hendrix, making no recommendation as to what taxes should be increased said, "We need more of everything that we've now got."

The budget would boost the yearly appropriation from four million dollars a year to 7 1/2 million. It would include a \$24,000-a-year salary for the hospital superintendent, who now receives \$13,500 plus maintenance.

Work Order to Highway 67 Job
LITTLE ROCK, (UP) — The Arkansas State Highway Department has issued two work orders for more than \$994,000 of construction work in Hot Spring and Mississippi counties.

The first order, effective next Monday, is for a 18-mile relocation project on the Arkadelphia-Malvern road, State Highway 67 in Hot Spring county. Awarded contract on May 9 was Reynolds and Williams of Little Rock.

An order effective immediately was issued for approximately eight miles of resurfacing on state Highway 120, from its intersection with Highway 61 to O'Donnell bend, in Mississippi county. Contract was awarded May 9 Forcum-Lannom, Inc.

Chinese May Release 2 U. S. Priests

BY JOHN RODERICK
HONG KONG (AP) — Two American priests are reported to be on their way out of Red China after three years in prison. But they were not on the last daily train today from the Communist mainland.

A U.S. consular official said it might be several days or even a week before the Rev. John Williams Clifford and the Rev. Thomas Leonard Phillips crossed the border into this British colony.

The two Roman Catholic priests will be the first American prisoners freed by the Reds in six months. Word of their impending release raised hopes that the Reds soon would free 11 other imprisoned Americans in a move to pump new life into the long-deadlocked U.S.-Chinese negotiations at Geneva.

The reports that Father Clifford and Father Phillips are being freed came from the British diplomatic mission in Peking and through the British Red Cross. Peking radio made no mention of them.

Says 8 Million Reds Under Arms

PHILADELPHIA (AP) — The Communists have more than eight million men under arms, including 2 1/2 million in China, Secretary of the Army Wilber Brucker said yesterday. He said most of them are ground troops.

Brucker told a Flag Day celebration at Independence Hall that the ground troops are organized into 405 "well-trained divisions ready for immediate action."

He said the Communist force and "a diabolical ideology of hate, atheism and intellectual perversion" are two important Communist weapons.

Half the United States Army is deployed overseas and "our troops abroad constitute visible evidence to the leaders of the Communist conspiracy that we mean exactly what we say—that we steadfastly intend to resist aggression in any form," Brucker said.

Present U.S. army strength is about 1,054,000.

From Wednesday, June 13 until 9:15 a. m. Friday a total of 4.03 inches of rain has been recorded at the Experiment Station.

Wednesday and Thursday the total was .38 of an inch but during last night the bottom dropped out and again this morning . . . during the 24 hours ending at 7 a. m. rain totaled 2.01 inches and from 7 a. m. until 9:15 a. m. 1.64 inches fell.

In regard to closing the inspection station at Fulton, Paul H. Millar, of the State Plant Board explains: "Purpose of the station was to block out seed cotton, cotton bolls and cotton seed which might carry pink bollworms. . . . Our main concern after picking was over was infested cottonseed which might be brought up from Texas for planting purposes, as it seemed that this was the main danger to be anticipated. . . . likelihood of planting seed coming thru after the first of June is very slight, and that is why we discontinued the stations tem-

Foreign Aid Is Hiked More by Senate Group

BY ERNEST B. VACCARO

WASHINGTON (AP) — The Senate Foreign Relations Committee today boosted its foreign aid bill to \$4,515,000,000 or 715 million more than the House voted.

The committee, in a closed session restored 100 million dollars to the President's discretionary fund for Asian economic development. The vote was 9-5.

In actions yesterday, the group had upped the \$3,800,000,000 House bill by 615 million dollars.

Congress last year authorized 200 million for the President's discretionary fund for Asian economic development. Half of this has been committed. The House voted to repeal authority to spend the other half. The Senate group struck out this repealer in effect adding 100 million to the bill.

While the committee actions cheered administration supporters Sen. Bridges (R-NH) expressed "great doubt" today over the outcome of the increases when the bill reaches the Senate floor next week.

Zhukov Said Man Behind Invitations

BY ERNEST HOBRECHT

TOKYO, (UP) — Marshal Georgi K. Zhukov, President Eisenhower's old comrade-in-arms, probably is the man behind the Russian plan to invite top American military men to Russia.

This is the growing belief in some usually well informed international quarters here. These quarters have access to information from all over Ais and the rest of the world.

Information now at hand, the United Press was told, indicates the "invitation" may have originated with Zhukov.

It is believed that Zhukov is trying to increase the importance of the Russian military machine in the Russian political picture. There already is evidence that such a trend is in progress.

It is believed that Nikita Khrushchev, currently the most powerful person in Russia, went along with the idea because he did not want to offend the important Russian military leader.

It is thought that Zhukov wants to renew his contacts with the outside world and build up his own prestige, but is afraid to risk being afraid to turn his back for one minute on the top political figures with whom he is now cooperating.

County Red Cross Drive Netted \$2,002

A total of \$2002.13 was contributed in the annual Hempstead County Red Cross campaign for 1956, it was announced today by Dr. Lloyd Guerin, drive chairman.

The final figures reflected the following:

Business district, \$442.30; Industrial firms, \$348.76; Hope Ward One, \$124.05; Hope Ward Two, \$140.80; Hope Ward Three, \$162.00; Hope Ward Four, \$3.00; Oakhaven, \$15.00; Southland Heights Addition, \$3.00; City Hall and Fire Station, \$11.00; Washington, \$78.00; Bingen, \$2.00; Blevins, \$82.60; McCaskill, \$39.00; Miscellaneous, \$36.49; Negro donations, \$201.60; Total \$2002.13.

Although the drive fell short of the county's quota, Dr. Guerin expressed his thanks to all those persons contributing money to the cause and to those volunteer workers who contributed their time and effort.

Pork Bargains
Follow Price Drop

By The Associated Press
Pork prices declined on the
wholesale market in the past
week, and a number of food stores
across the country have been
quick to offer the meat as a week-
end bargain.

Since pork is not generally a
summertime favorite among
housewives, retailers see this
week's pork special as one of their
last chances for large pork volume
before the hot weather sets in.

Wholesale prices for lamb have
also dropped off in the past few
days but there has not been
enough time for this to be reflected
in retail prices. The declines in
pork and lamb come after a pro-
longed climb in price for both
meats.

DOROTHY DIX

Lonesome Cowboy
He's No Prize!
Make a Will

Dear Dorothy Dix: After reading
your advice for a long time, I've
decided to tell you my troubles. I'm
a cowboy and my hobby is music.
I'm now studying my eighth mus-
ical instrument, though I've never
played in public.

My trouble is that although I'm
32, I've never had a real girl
friend — just a few dates. I feel
very depressed because I don't go
out, but suppose it's too late to
start now. I guess my trouble has
been that I'm too independent to
ask for a date.

Dear Hank: You'd be the leap-
year answer to a maiden's prayer,
if you want to meet someone to
do the asking. I should think your
independence would be better pre-
served if you were the aggres-
sor.

You've missed a lot, Hank, old
boy, and I'm sure some young lady
has missed a lot, since you be-
came a lonesome, singing cowboy.
Give some of your talent to the
world. Get out and meet people.
Have a date — it's a painless op-
eration and your only regret will be
that you didn't get into the square-
dance whirl sooner.

expression and put an end to de-
pression. Let's know how you pro-
gress.

Dear Dorothy Dix: I am a girl
of 18, engaged to a boy of 22. He is
so jealous that he made me quit
my job, and is awfully particular
about my friends. He's afraid some-
one will talk about me.
Here is my problem. He talked
me into having an affair with him;
he says it's all right as long as
we're engaged. I'm afraid, how-
ever, he may be fooling with me

Dean Martin and Jerry Lewis join forces with Lovelace Shirley
MacLaine and Dorothy Malone in their goofiest, most hilarious ad-
venture to date, "Artists and Models," opening Sunday at the
Shengster Theatre. Hal Wallis' Vitavision, Technicolor musical ex-
travaganza costars the quartet with Eddie Mayhoffer and features
Eva Gabor and Anita Ekberg.

Presbyterian Women
Meet

The regular monthly meeting
of the women of the Presbyterian
Church was held on Monday after-
noon at the church at 3 o'clock.

The president, Mrs. D. L. Mc-
Rae Jr., presided and called the
meeting to order with prayer.

The minutes of the May meet-
ing were read by the secretary,
Mrs. Max Kitchen. Reports of gen-
eral officers and chairmen were
heard.

It was announced that a picnic
would be given on June 22 at the
church honoring Rev. and
Mrs. W. G. Bensberg and their
family who leave soon for Rich-
mond, Mo.

Mrs. Wallace Pemberton, assist-
ed by Mrs. Jim Nelson, Mrs. Tom
Bemis, Mrs. S. O. Logan, Mrs. O.
W. Watkins, Mrs. Harold Ingram,
Mrs. Carl Dalrymple, Mrs. Bens-
berg and Mrs. McRae, presented
the program on "Together We
Stand," giving methods recovers
and family worship.

The meeting adjourned with the
mizpah benediction.

Fidelis Class Meets

The Fidelis Sunday School Class
of the First Baptist Church met on
Tuesday evening in the home of
Mrs. Harrell Hines with six mem-
bers and a guest, Mrs. Wilburn
Willis present.

Mrs. Julius Adams voiced the
opening prayer and the devotional
was given by Mrs. Hines.

Interesting games were direct-
ed by Mrs. Rucker W. Murry
after which the hostess served
frosted punch and cookies.

...W. M. U. Has Meeting

Ten members and a guest met on
Tuesday afternoon at the Central
Baptist Church for the weekly
Bible and prayer meeting.

Mrs. Alec Clark gave the devo-
tional and the Bible lesson was in
charge of Rev. Noel O'Steen.

Mrs. George Hunt presided over
the business session.

Euzellan and Ruth SS

A few more you may not be
quite so familiar with:

Donald W. Douglas, pioneer air-
plane designer and manufacturer,
has a son, Donald Jr., who, at 38
is vice president in charge of
sales and since 1943 has supervised
the testing of 20 types of aircraft.

Frederick H. Ecker, honorary
chairman of the Metropolitan Life
Insurance Co., whose assets of
nearly 14 billion dollars made it
the world's second largest business
enterprise, has a son, Frederick
W. Ecker, who is president.

Only last month Thomas J. Wat-
son, Jr., who is 42, Young Tom
started in the company as a \$185
a month student salesman.

Alfred C. Fuller founded the
Fuller Brush Co. as a one-man
operation 50 years ago. His son,
A. Howard Fuller, who first
worked for the firm as a door-
to-door salesman, became presi-
dent in 1938 at 30, added cred-
entials and other items to its sales
line and increased the annual busi-
ness from 20 million dollars to
90 million.

Some six months ago at 37,
Robert W. Sarnoff became presi-
dent of NBC, a post once held by
his father, David Sarnoff, chair-
man of RCA, the parent corpora-
tion.

Before reaching the presidency,
young Sarnoff worked his way up
in several branches of NBC and
produced the film documentary
series, "Victory at Sea," which
won a Navy award.

One thing stands out in most
son-follows-dad success stories.
The father generally has been a
hinge: He has insisted that, be-
fore taking over a top job, his son
first dirty his hands and bloody his
nose leaving his business from the
ground up—the way the old man
had to learn it himself.

The formula seemed to work bet-
ter than any other. A son who
rises to the top that way is deter-
mined to succeed—if for no other
reason than a fear of letting his
father down.

Thought For The Day
It is not the place, nor the condition, but the mind alone that can make any one happy or miserable - L'Estrange said it.

Don'ts For General Behavior
Don't repeat scandal or malicious gossip.
Don't boast of one's own achievements or understate the achievements of others.
Don't forget the little courtesies at home that one gives to the public.

Calendar Of Events
Song Fest To Be Held
The "Song Fest" will be held at the Church of God in Christ, North Bell St., Sunday, June 17, at 3 p. m. All Junior Choirs of the city are invited to participate. Choirs from Prescott, Emmet and Arkadelphia are expected. The public is cordially invited to attend. Mrs. O. N. Dennis, Sponsor, Elder O. N. Dennis, Pastor.

Picnic To Be Held At Mt. Zion
The Who-so-ever-will Club and the Christian Youth Fellowship will sponsor a picnic at Mt. Zion C. M. E. Church Tuesday, June 19. The public is cordially invited to attend. Rev. I. M. Manning, Pastor.

There will be a fish fry and ice cream supper in the annex of the Rising Star Baptist Church, Saturday night June 16th. The public is invited.

Coming And Going
Mr. Clyde Trotter has returned to his home in Little Rock, Arkansas after having spent a very pleasant weekend in Washington, Arkansas with his mother, Mrs. Cassie Trotter.

Marian Lucille Hicks left yesterday for Memphis, Tennessee where she spent the night in the home of Rev. and Mrs. Loyce Patrick. She was accompanied to Little Rock, Arkansas by her mother.

Marian and the Patrick's daughter, Lois left today for Chicago, Illinois where they will spend several weeks as the guests of Evangelist E. R. Hooks.

Local Minister Stricken With Heart Attack
Rev. C. S. Stearns, Pastor of BeBe Memorial C. M. E. Church, was stricken with a heart attack in the church Thursday afternoon, June 14. He was rushed to Branch Hospital in a Hicks Funeral Home Ambulance. No report on his condition had been received at the time of this writing.

The Vacation Bible School closed Friday night, June 8, 1956 at the Loneoke Baptist Church. Of an enrollment of 135 students, 120 were eligible to receive certificates. There were 24 Leadership certificates awarded to the workers. There were five additions to the church by baptism.

The school closed with a program from the following departments: Beginners, Primaries, Juniors and Intermediates. Following the program refreshments were served on the church lawn.

Mrs. Maggie Coby, the Directress of the school, wishes to express her sincere thanks to all who made contributions to the success of the work. Rev. James E. Coby, Pastor.

Only one man in the unwieldy field of 160, Bob Rosburg of Palo Alto, Calif., was able to break par in yesterday's opening round and he shot a 34-34-88 to take a two stroke lead in a gruelling day that was more notable for arguments and complaints than for good golf.

It was the sun that burned up the fairways not the golfers, who were just burned up. There were four major rhabarbs and though all were settled-for the record-the wrangling was expected to continue today.

One item seemed crystal clear as the tournament went into the second crucial day wherein all but the low 50 and ties will be eliminated for Saturday's double round of 36 holes for the championship. That was that the Oak Hills course was nowhere near as easy as it had been rated by the pros.

BREAKING CHAIN
DETROIT, (UP) — When Meredith Tigel, 29, was graduated from the University of Detroit last night she gained a degree and a reputation for having a mind of her own.

Although her father, mother, four aunts and an uncle are all school teachers, the attractive young graduate is breaking the chain by seeking a career in business.

Yankees Win as the Braves Drop the Giants

BY ED WILKS
Of The Associated Press

Cleveland's Indians are like the horse player who stayed up all night figuring the angles for a sure thing, then overslept and couldn't get his bet down.

When the New York Yankees built their American League lead to 5-1 games with a hot 13-4 streak late last month, Manager Al Lopez and the Tribe shrugged it off. "It can't last," said the Indians. "They can't keep hitting like that. Their pitching isn't really that good."

The Tribe was right. The Yankees have won only five of 12 in June — the worst record of any club in the AL, including last place Washington, Cleveland, however, has won but eight of 15 in that stretch and has managed to trim New York's lead by a mere 1 1/2 games.

Pitching — Bob Lemon, Early Wynn, Herb Score and Mike Garcia — was to be Cleveland's trump card. But in the 15 games played in June, Lemon, Wynn and Garcia have a combined 3-5 mark. Score, sidelined by a tummyache, worked only one game, and won it.

Lemon's been the big loser, dropping three of four June decisions. He was whacked again yesterday for 11 hits and eight runs in four innings as the Boston Red Sox out-slugged the Tribe 10-9.

The Yankees, meanwhile, were taking the rubber match in a series with the second place White Sox 5-1 with Bob Grim tossing a four - hitter and Mickey Mantle hitting his 22nd home run — his first in nine days.

No other games were scheduled in the AL as the Yankees, who open a road trip at Cleveland tonight, put their lead at five games with the Indians only five percentage points back of the White Sox.

Only one National League game was scheduled and the Milwaukee Braves closed their 15-game home stand with a 5-10 man by beating the New York Giants 5-2.

Jackie Jensen, who drove in four runs for the Red Sox, clipped Lemon for a three-run homer in the third.

Dick Gernert — replacing Ted Williams, who had a cold — drove home three runs on three singles and batted the winning run home in the fifth off reliever Bud Daley. Lemon hit a solo homer and Al Rosen batted in three runs as the Indians got 13 hits off winner Lee Delock and relievers Tomb Herd and Leo Kiley.

Boston took three of the five games in the series. One was a tie.

New York made it seven of eight against the White Sox, handling Jim Wilson an 8-3 record with three unearned runs in the third and Minnie Minoso muffed Gil McDougald's two-out fly to left. Grim struck out nine and walked only one, although giving up Dave Philley's second homer, for a 4-0 record.

The fourth - place Braves were scoreless for four innings against Ruben Gomez, then tied it on DeCrandall's two-run homer in the fifth. Southpaw Warren Spahn, who has lost five straight, won his third with a seven-hitter and scored the deciding run on Billy Bruton's double in the sixth. Willie Mays had a home run, two singles and a walk for the Giants.

Earlier in the day, the Giants made a four-for-four deal with the St. Louis Cardinals with second baseman Al Schoendienst, catcher Bill Sarni, outfielder Jackie Brandt and southpaw Dick Littlefield going to New York in exchange for shortstop Al Dark, first baseman Whitey Lockman, catcher Ray Katt and left-handed Don Liddle. They'll report to their new clubs today.

The Giants also recalled lefty Jim Constable and shortstop Ed Bressoud from Minneapolis. Bressoud had one hit in four trips and drove in a run against the Braves.

In another deal yesterday, the Yankees sold first baseman Eddie Robinson to Kansas City and then sent infielder - outfielder Lou Skizas to the A's from their Richmond farm. The A's shipped right-hander Ed Burtch and outfielder Bill Renna to the International League club in the deal. The Yankees recalled outfielder Norm Siebern from Denver and took shortstop Billy Hunter off the inactive list.

Lane's Second Big Deal Shocks Cardinal Fans

ST. LOUIS, (UP) — Frank Lane, a perpetual motion machine on baseball's trading market, has the St. Louis Cardinal fans reeling with his latest deal.

The Redbird general manager, who has almost completely reshuffled the team's roster since taking over last October, swapped Red Schoendienst to the New York Giants yesterday in a four-for-four package that brought Alvin Dark to the Cards.

Newspaper switchboards were swamped with calls after the deal was announced, swamped with such questions as:

"Who's next?"

"What's he trying to do?"

During the spring, Lane talked of the future and the youngsters on the club. Now he's after the National League flag in 1956.

"I am concerned about 1956 and not the future," he said.

"We couldn't win with our infield."

"We are now finished as far as further deals are concerned."

But the Globe - Democrat reported there were recurring rumors something might be in the wind with Cincinnati before the trading deadline at midnight tonight.

Schoendienst, 33-year-old second base veteran of 12 seasons with the Redbirds, went to the Giants along with rookie outfielder Jackie Brandt, catcher Bill Sarni and pitcher Dick Littlefield.

In exchange the Cards got first baseman Whitey Lockman, catcher Ray Katt and pitcher Don Liddle. Schoendienst and Dark were the captains of their respective clubs.

The Cards plan to move Don Blasingame from short to second and put Dark at shortstop. Lockman at first, Wally Moon, who has been at first, will move into center field—his natural position. Rookie Hal Smith takes over as top catcher.

Only 11 of 40 players who were on the club's roster and reserve list when Lane took over are still in St. Louis.

Both clubs professed satisfaction over the latest swap.

The switch-hitting Schoendienst, member of eight National League All-Star teams, will take over at second for New York with Daryl Spencer moving to shortstop. Sarni becomes the No. 1 catcher, ahead of Wes Westrum, and Brandt will start in left field.

"Most Redbird players appeared shocked by the trade."

"No comment," said Stan Musial, veteran outfielder and long - time roommate of Schoendienst on the road.

"It's going to be rough replacing Red," said Moon.

Schoendienst, whose best year was 1953 when he batted .342 and just missed the hitting crown won by Brooklyn's Carl Furillo at .344, has 48 hits in 153 trips to the plate now for a .314 mark, Dark is batting .252.

The 29-year-old Lockman has played both first base and the outfield with a .272 average. Katt, 29, is batting .292 compared to the 28-year-old Sarni's .291. The 22-year-old Brandt, rookie of the year in the International League last season, has a .286 average with limited action so far.

Liddle is 1-2 for the season, while Littlefield is 0-2. Both are 30 - year - old southpaws.

THE BEST CROWD TO FOLLOW IS THE CROWD GOING TO CHURCH

THERE'S NO EVIL THERE EXCEPT WHAT YOU CARRY WITH YOU

Like the great God of all the earth, "FATHERS" are responsible toilers, giving their strength to daily tasks that provide food and shelter and the comforts of life. History alerts us to the significance of GOOD FATHERHOOD. In the memory of every child is enshrined the thoughtful and devoted, self-sacrificing, happy comradeship of a GOOD FATHER. It makes little difference whether you are a minister, laborer, or salesman, you are all the FATHER your child knows. Whether you live by way of the lunch pail, portfolio, or the Bible—FATHER'S DAY will be more commemorative, more complete, if you'll take your family to church.

"IF GOD BE FOR YOU, WHO CAN BE AGAINST YOU...."

These Firms Pledge Their Unqualified Support to Him.
